

RECOMMENDATION FOR DHANANJAY PATEL

Dhananjay Patel completed the MSCIS program in December 2024 at Sacred Heart University. I have had the pleasure of instructing Dhananjay in the CS-504 course while pursuing his degree and always found him to be an extremely conscientious, knowledgeable and an involved student in the learning process. He has excelled in all his courses and often pursues his learning tasks well beyond what is required. He graduated with a 4.0 GPA getting straight A's in all his classes.

In addition, Dhananjay had been very active in school activities.

I recommend him most highly and without reservation. Please feel free to contact me should you wish to discuss this further.
